TICK CHECKS FOR DOGS

AFTER WALKS • FEEL • LOOK • CHECK

1 START CALMLY

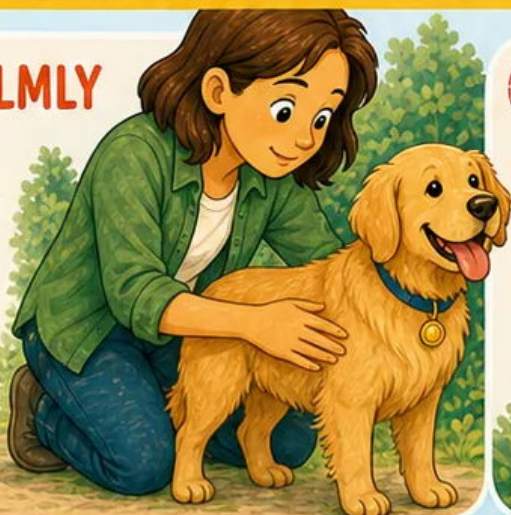

Use good light.

Slowly run your hands through the coat.

Feel for tiny bumps.

2 PART THE FUR

Look closely at the skin.

Ticks may be very small.

3 CHECK THESE SPOTS

Head & ears

Under the collar

Armpits

Under the tail

Groin & tummy

Between the toes

BE GENTLE

Keep your dog calm. Never squeeze or pick at a tick with your fingers.

FOUND A TICK?

Use the correct VuxLore tool and follow its exact instructions.

POCKET

TRIO

MAX

Ask your vet if you are unsure or your dog seems unwell.
